

Range Martial Arts East

Summer Session 2018 T-Shirt Order Form

For summer, we are doing something new for our students! The shirts offered on this form may be worn in Tang Soo Do class during the session until review and testing weeks! During classes at our dojang in Virginia, you have the option to **wear either your traditional uniform top, or this shirt**. All official events and classes with announced guests will still require the traditional top. Traditional uniform pants are still required for all classes. *You do not need to be a student to order these shirts.*
